From the Principal,

39 windows broken!!!!

Yes, 39!! Not only were we broken into in the early hours of Saturday morning (and had windows smashed), we had 39 windows broken last night. This is senseless vandalism at its worse. The only people this is hurting, is our children. It is their stuff that is being damaged, their classrooms which become dangerous with shards of glass scattered across the rooms, their toilets they can't use, and their library books which end up covered in glass! This means that 20 odd play boxes have to be cleaned, lockers have to be wiped out, rooms vacuumed, shelves and cupboards wiped - which means that the children then miss out on valuable learning time whilst staff have to deal with this mess.

If you have any information that could help us find out who is doing this to 'your' school, please phone the police on 86485020, or let me know.

There are still quite a few families with children in the actual play, who haven't been in to purchase tickets. Please do so at your earliest opportunity as we would hate to see you miss out. (\$4.50 each)

The performance is TOMORROW. We had a long and tiring day yesterday with our whole day rehearsal. The children were fantastic. Please make sure you get your children to the Lea Theatre on time tomorrow night.

Library News:

There are many missing books!!! Could you please help your child look for their 'lost' book or send a note to the school to let us know that it is lost? Many thanks, Lesley & Julie

The Salvation Army - Help Pack Santa's Sack - Some people are a lot less fortunate than us and we would like to help the Salvo's with their Christmas Appeal. If you are able to donate non-perishable food (cans or packet food), please leave it at the front office. We will then organise collection.

Last day to be able to donate is Monday 4th December.
