Term 4 Week 6 21/11/06

From the Principal,
We have certainly seen the extremes in the weather since we commenced swimming last week and it is wonderful to see a number of students in rash vests or wearing tee shirts. Children have sunscreen applied before leaving school so that it will be effective by the time they reach the pool, but it is a worry that more children are not wearing rash vests, etc. With Splash Day not far away, they will be in the open for much longer. We will be expecting all students to wear a vest or tee shirt after lunch if they wish to swim. This information will appear on the Splash Day note.

At SNPS we have a number of students who are part of the Instrumental Music Program. They have weekly lessons and at certain times during the year combine and perform for parents etc. A couple of weeks ago our students did just that and the concert was excellent; so well done to
Amber Boots - Flute
Erica - Jane Miller - Flute
Elana Pratt - Hedger - Clarinet
Todd Scott - Trumpet
Mica Obst - Trumpet
Adam Hudson - Percussion

As mentioned last week we are in the process of setting classes for next year, our numbers are very close to either gaining teachers or losing teachers so if you know of anyone who is leaving SNPS or have students who will be enrolling please can you let us know.
